

Resources

This website contains considerable epilepsy-related <u>diagnosis</u> and <u>treatment</u>, <u>seizure management</u> and <u>first aid</u>, <u>syndromes</u>, <u>health and wellbeing</u>, and <u>advocacy</u> information and links. Information specific to life <u>stages</u>, <u>gender</u>, <u>disabilities</u>, <u>comorbities</u>, <u>and education and employment</u> is also provided.

If you are working with people with <u>disabilities</u>, people in their <u>later years</u>, or <u>students</u> you may also want to explore the targeted suite of resources we have developed for these specific groups.
